Lieutenant General J. H. Doolittle

Dear General Doolittle:

It was with great pleasure that I read the announcement of your appointment as Chairman of the Board of the Space Technology Laboratories, and wish to extend my sincere congratulations.

I also noted with considerable interest excerpts from your speech given at Palo Alto in which you compared certain elements of the Soviet education system with that of the U.S. I was most pleased to have your views on this timely subject.

With kindest regards,

Sincerely,

Signed
